Motion #1, as recommended by the Faculty Manual Committee  
December 3rd, 2015

- Whereas the section of the Vanderbilt Faculty Manual (as archived on 8/3/2015) begins a section entitled “Vanderbilt University Compliance Program and Standards of Conduct” and
- Whereas the Faculty Senate Faculty Manual Committee believes the a different ordering of materials in the Faculty Manual would better represent the spirit of Vanderbilt if the Manual began with “Part I: The University and its Governance,” which includes the history of Vanderbilt and a chapter on its governance,

We, the Faculty Manual Committee, move that there be a new part to the Faculty Manual, to be labeled “Part VIII: Vanderbilt University Compliance Program and Standards of Conduct” and this new part follow “Part VII, Financial Procedures.”
